Statement of intent

The Societas Trust ("The Trust") recognises and value the effort taken by volunteers who contribute towards our settings.

Volunteers bring a range of skills and experience which can enhance the learning opportunities for our children. At our setting, we have a friendly, supportive and hard-working team and we hope your time with us is both rewarding and happy.

This policy sets out the practices and procedures which will be followed when appointing, managing and supervising volunteers, as well as a code of conduct which all volunteers are required to comply with.

1. Legal framework

This policy has due regard to all relevant legislation and guidance including, but not limited to, the following:

- The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018
- The Childcare Act 2006
- UK General Data Protection Regulation (GDPR)
- The Data Protection Act 2018
- DfE (2023) 'Keeping children safe in education 2023'
- DfE (2018) 'Disqualification under the Childcare Act 2006'

This policy operates in conjunction with the following school policies:

- Safeguarding and Child Protection Policy
- Confidential Reporting Policy
- Low-level Safeguarding Concerns Policy
- Complaints Procedures Policy
- Data Protection Policy
- Staff Code of Conduct

2. Definitions

The following definitions apply for the purposes of this policy. For the purposes of this policy:

“Volunteers” are individuals who engage in an activity which involves spending time, unpaid (except for travel and other approved expenses), doing something which aims to benefit some third party, i.e. the school, and not a close relative.

“Occasional volunteers” are individuals who only accompany staff and pupils on one-off trips that do not involve overnight stays, or who volunteer at specific one-off events, such as sports days.

“Regular volunteers” are individuals who volunteer at the school:

- Three or more times in a 30-day period
- Once a month or more
- On an overnight stay.

A volunteer will be engaging in **“regulated activity”** if they:

- Will be responsible, on a regular basis in school, for teaching, training, instructing, caring for or supervising children.
- Will be working on a regular basis in a specified establishment, such as a school, or in connection with the purposes of the establishment, where the work gives opportunity for contact with children.
- Engage in intimate or personal care or healthcare or any overnight activity, even if this only happens once.

3. Recruitment

Anyone who wishes to become a volunteer at one of our settings, either on an occasional or more regular basis, will be required to submit a Volunteer Application Form (see Appendix A) to the **school office**.

Occasional volunteers

Occasional volunteers will be appointed at the headteacher's discretion and will not be required to go through the recruitment process. A written risk assessment will be conducted to determine what checks, if any, are required.

An occasional volunteer will always be supervised by a member of staff, unless the appropriate DBS checks have been obtained.

Regular volunteers

Regular volunteers will always go through the following recruitment process:

- The individual will be asked to have an informal discussion with a member of the SLT to ensure they are suitable for the role
- The appropriate safer recruitment checks will be undertaken
- The individual will be made aware of the roles and responsibilities they will be undertaking
- References will be sought where appropriate (see Appendix B)

Our volunteers can include:

- Parents of children
- Ex-pupils
- Students on work experience
- University students
- Ex-members of staff
- Local residents

Regular Volunteers are limited to four at any given time (with the exception of student placements) across EYFS, KS1 and KS2. Where a parent is accepted as a volunteer they will not be assigned to a class where their child is learning. Preference will also be given to volunteers who can attend regular sessions each week.

To ensure safeguarding and vetting checks are followed we will only accept new Volunteers (with the exception of student placements) from the second half of Autumn Term.

Safeguarding checks

Under no circumstances will a volunteer on whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

The school will conduct a risk assessment and use its professional judgement to decide what checks are required. The risk assessment will consider:

- The nature of the work with children, especially if it will constitute regulated activity, including the level of supervision.
- What the school knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers.
- Whether the volunteer has other employment or undertakes voluntary activities where referees can advise on their suitability.
- Whether the role is eligible for a DBS check, and if it is, the level of check required.

Details of the risk assessment will be recorded and any DBS checks applied for will be recorded on the school's Single Central Record.

If a volunteer will be working in regulated activity or have the opportunity to come into contact with pupils on a regular basis, an enhanced DBS check with children's barred list information will be required.. A further children's barred list check will be carried out every 3 years after appointment.

Volunteers will not be re-checked if they have already had a DBS check; however, the school will consider obtaining a new DBS check, at the level appropriate to the role, if there are concerns about a volunteer.

Where a volunteer has previously lived or worked outside the UK for 12 months or more (whether continuous or in total) in the 10 years before the application while aged 18 or over, further checks will be taken where appropriate.

These checks could include Criminal record checks for overseas applicants or obtaining a letter from the professional regulating authority in the country in which the applicant has worked, confirming that they have not imposed any sanctions or restrictions, and/or that they are aware of any reason why they may be unsuitable. Please note it is the volunteer's responsibility to obtain the further checks and volunteers will be required to provide the dates they have lived or worked abroad on the application form.

All volunteers will be subject to an online search as part of the due diligence process (Appendix B). This will help identify any incidents or issues that have happened and are publicly available online. Such incidents or issues will be explored with the applicant.

All checks will be conducted in line with the school's Safer Recruitment Policy.

4. Supervision

If a volunteer is required to be supervised when undertaking an activity, who would otherwise be in regulated activity if not supervised, the school will ensure that:

- There is supervision by an individual who is in regulated activity.
- The supervision is regular and day-to-day.
- The supervision is reasonable in all the circumstances to ensure the protection of the pupils.

When determining what supervision is reasonable so that the volunteer would not be in regulated activity, the school will take the following factors into consideration:

- The ages of the pupils, including whether there is a large gap in their ages

- The number of pupils that the volunteer is working with
- Whether or not there are other staff members present during the activity
- The nature of the volunteer's work and the opportunity for contact with pupils
- How vulnerable the pupils are
- How many volunteers would be supervised by each member of supervising staff

5. Induction

Volunteers will be required to read and agree to the Volunteer Code of Conduct and Staff Code of Conduct before starting their role at the school.

All volunteers will be required to make themselves familiar with school and Trust procedures as part of their induction, including the following:

- Anti-bullying Policy
- Behaviour Policy
- Complaints Procedures Policy
- Confidential Reporting Policy
- Cyber-Security Response Plan
- Data Protection Policy
- Disciplinary Policy and Procedure
- Equality, Equity, Diversity and Inclusion Policy
- Evacuation Procedures/ Fire Safety Policy
- Health and Safety Policy
- Information Security Policy
- Keeping Children safe in education – Part 1
- Lockdown Policy
- Low-level Safeguarding Concerns Policy
- Mobile Phone and Photography Policy
- Online Safety Policy
- Part 1 of "Keeping Children Safe in Education
- Preventing Extremism and Radicalisation Policy
- Safeguarding and Child Protection Policy
- Social Media Policy
- Staff Code of Conduct

Volunteers will be provided with access to the above documents upon their induction.

Volunteers will be required to read Part 1 of 'Keeping children safe in education' as part of their induction.

Volunteers will be required to sign the below forms upon their inductions and annually thereafter

- Photo consent form
- Disqualification declaration form (where relevant under the Childcare act)
- Acceptable use agreement

- Criminal record self declaration

All volunteers will be provided with a point of contact within the school who they can go to if they have any questions or issues they need to discuss.

6. Safeguarding

Volunteers will be provided with safeguarding information as determined by the governing board, using a proportionate, risk-based approach.

The school will ensure that activities are planned properly and safely, and that volunteers are informed of these plans. The school will ensure that volunteers have access to a member of school staff, should they wish to discuss difficulties or report on issues that may arise.

All volunteers are required to be identified and located at all times. For this reason, the following process will be adhered to:

- Volunteers will sign in and out of the building at the school office
- Volunteers will wear a visitor's badge at all times
- The headteacher will be made aware of where the volunteer is working

Volunteers will be made aware that they must report any safeguarding concerns in line with the school's Safeguarding and Child Protection Policy. The identity of the school's DSL and any deputies will be made known to all volunteers.

Any safeguarding concerns or allegations raised regarding a volunteer will be dealt with in line with the Low-level Safeguarding Concerns Policy and/or the Confidential Reporting Policy.

7. Health and safety

Volunteers will be required to read the Health and Safety Policy and have a Health and Safety induction.

Volunteers will ensure that they are familiar with emergency procedures, e.g. evacuation, and of any health and safety procedures relating to the activity they will be undertaking, e.g. whilst in a cookery class.

If a volunteer notices any potential hazard which may put another individual at risk of harm, they will report this immediately to the **Academy Business Manager/Premises Manager/headteacher**.

8. Absence

Volunteers are required to inform the **school office** by **8:00am on the day they were due to attend if they are unable to attend** at the agreed time.

Failure to inform the school on more than **three** instances may result in the volunteer being unable to attend the school on any further occasions.

If a volunteer is called away in the event of an emergency while volunteering, they will inform the class teacher or senior leader, and will sign out of the building before leaving the premises.

9. Confidentiality

All volunteers are bound by a code of Confidentiality.

Volunteers will not be permitted to discuss any confidential information regarding a pupil or member of staff with any other individual.

Information will be shared with volunteers on a need-to-know basis, and they will not have access to the school's records unless access is required to fulfil their role.

Any volunteer who breaches the confidentiality rules will be asked to leave the premises and will not be able to return to undertake any further activity.

There may be instances where a volunteer is required to pass information to a member of staff, such as if they notice a pupil being bullied or subjected to harm. Volunteers will report any concerns to a member of staff and are instructed not to notify the parents.

10. Data Protection

Volunteers will be informed of their data protection responsibilities at their induction. All volunteers must be familiar with the Data Protection Policy and comply with the Academy/Trust Data Protection arrangements. This will include being aware of the data breach process and completing any Data Protection training where appropriate.

11. Complaints

Any complaints made in relation to a volunteer will be managed in line with the school's Complaints Policy.

12. Monitoring and review

This policy will be reviewed on an annual basis and will communicate any changes to all members of staff, existing volunteers and relevant stakeholders.

All volunteers will be required to read this policy prior to their attendance at the school.

Criminal offences

As this volunteer role involves working with children, it is exempt from the Rehabilitation of Offenders Act 1974 – this means that you are required to declare any convictions, cautions, reprimands and final warnings that are not 'protected' as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013). The amendments to the Exceptions Order state that certain 'spent' convictions and cautions are 'protected' and are therefore not subject to disclosure to employers and cannot be taken into account.

In addition to abiding by the Rehabilitation of Offenders Act 1974, all volunteers who work in 'regulated activity' with pupils will require an enhanced Disclosure and Barring Service (DBS) check.

In accordance with the Department for Education's 'Keeping children safe in education', a volunteer is considered to be engaging in regulated activity if they:

- Will be responsible, on a regular basis in a school or college, for teaching, training instructing, caring for or supervising children.
- Will carry out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children.
- Engage in intimate or personal care or overnight activity, even if this happens only once.

With the above in mind, please answer the following questions honestly – false statements or withholding information will result in one of the following actions being taken:

- Disciplinary action leading to dismissal if you have already started volunteering with the school
